In some cases, knowledge of an agent's potentially embarrassing or patently illegal activities is used to extort espionage service.

## Plato's Ethics: An Overview (Stanford Encyclopedia of Philosophy)

Another fundamental moral issue occurs in cases in which there is a contractual relationship as a legal guarantee for a financial agreement. To attempt to clarify these moral issues by use of the philosophical analysis of the language and the concepts that underlie them is, at least in theory, to provide a framework in accordance with which to make better quality decisions concerning them.

### Philosophy

What really matters is why do Kantians not understand that a oath to defend the constitution is a powerful thing, a deep obligation that almost no one lives up to.

### Ethics

The founding principle of philosophy is perhaps the astonishment, source of the questions.
