Fifty Years in Both Hemispheres: Or, Reminiscenses of the Life of a Former Merchant. Translated from the German: Nolte, Vincent: 9781142227593: vip.stumagz.com: Books

He was, it seems, almost everywhere in the 19th century. He was in the presence of Napolean whose indebtedness his banking friends managed , he was on hand when Fulton tested his steamboat, he knew and, to his credit, disliked Andrew Jackson and was a player in the 1814 defense of New Orleans, not to mention knowing the major international bankers of Europe and America. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

Fifty years in both hemispheres; or, Reminiscences of the life of a former merchant : Nolte, Vincent, 1779

As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. One senses that Nolte was a conscientious, but somewhat dull man, a man of rather limited vision--limited to currency, financial reports, and trade goods--who just happened to be in the right places at the right times. It is almost surprising that we haven't heard much about Vincent Nolte.
