## **Cultural Pluralism, Identity Politics, and the Law (The Amherst Series in Law, Jurisprudence, and Social Thought) by Austin Sarat**

They ask us to think seriously about the ways the law has been and continues to be implicated in these debates, addressing questions about the challenges posed to notions of legal justice and procedural fairness by cultural pluralism and identity politics; about the role played by the law in structuring the terms under which recognition, accommodation, and inclusion are accorded to groups in the United States; and about how accepted notions of the law are defined by an ideal of integration and assimilation. A Critique of Assimilationism In 1914, sociologist Edward Alsworth Ross, an advocate of scientific racism, published *The Old World in the New: The Significance of Past and Present Immigration to the American People*. The group developed the conviction that more attention needed to be paid to the normative issues associated with various expressions of cultural pluralism, for the ethical implications of the phenomena we were studying were too profound to be ignored.

### **Cultural pluralism**

Title: Pluralism, Cultural Maintenance and Evolution Abstract: Cultural pluralism or multiculturalism has become a feature of many Western countries during this century in at least two ways. Kallen develops his cultural pluralist ideas in this book, which contains comments by Stanley H.

### **Project MUSE**

Pluralism: The Philosophy and Politics of Diversity. The essays in Cultural Pluralism, Identity Politics, and the Law ask us to examine carefully the relation of cultural struggle and material transformation and law's role in both. The contributors are Elizabeth Clark, Lauren Berlant, Dorothy Roberts, Georg Lipsitz, and Kenneth Karst.

## **Cultural Pluralism, Identity Politics, and the Law**

Title: Emancipating Cultural Pluralism Abstract: This book brings together theoretical pieces and case studies on ethnicity and nationalism in an effort to take a step forward in conceptualizing these aspects of cultural pluralism. Crawford Young at the University of Wisconsin-Madison, and ably assisted by Dr. Criticism of the unfamiliar appearances and behaviors of the newly arrived peoples prompted discriminatory treatment of the new immigrants in education, employment, government programs, housing, and public accommodations.
