## Sociology of Education

Academies are self-governing non-profit charitable trusts and may receive additional support from personal or corporate sponsors, either financially or in kind.

### The Sociology of Education: A Systematic Analysis by Jeanne H. Ballantine

For these reasons, educational attainment depends heavily on family income and race and ethnicity.

Alternative Provision Alternative provision AP is education outside school, arranged by local authorities or schools, for pupils who do not attend mainstream school for reasons such as school exclusion, behaviour issues, school refusal, or short- or long-term illness. The prime function of educational institutions is to maintain the status-quo of the society. Furthermore, the course will require students to appreciate the significance and meaning of a more contextual approach to education policy analysis.

## SOCIOLOGY OF EDUCATION

It would be useful to go through these topics before you start this course. The School as an Organization -- Ch. Most disadvantaged social group decides the common values of Educational institutions.
