Xerophilia: Ecocritical Explorations in Southwestern Literature

At the same time, I was spending as much time as possible hiking the mountains and deserts of the Southwest.

These essays, from both sides of the contested issue, resonate with passion, conviction, and the desire to save a world that is mightily at risk. Lynch explains how political conflict within the region and unusual features of desert landscape often advance Journal Western American Literature — The Western Literature Association Published: Aug 12, 2009 APA Johannesen, D. .
