Look! Up In the Sky!

Cape Breton Railways: An Illustrated History.

Indigo

Active; focal plane 14 m 46 ft ; continuous green light. After the lighthouse was sold in 2018 the new owners made it available for through Airbnb.

Look! Up In the Sky!

This was a 12 m 40 ft square pyramidal wood tower with lantern and gallery, painted white with red upper portion and a vertical red stripe on the range line. We thought the letter would arrive the next day same as in Britain! Coupled with the , it has driven the growth of the tourism industry on the island in recent decades.

Cape Breton Island

The town of Madeira Park is named after his native island. The rotten shingles were removed and towers clad in plywood; the Lighthouses Group plans to install historically accurate shingles over the plywood after ownership is transferred. Active; focal plane 16 m 52 ft ; continuous green light.

Cape Breton is the thought control centre of Canada : Smith, Ray, 1941

The CBC Nova Scotia television signal, which originates from Halifax, is now available only by cable or satellite providers. Located near the end of Bathgate Street in Glace Bay. The eight vertical faces are painted alternately red and white; the lantern is painted red.

Cape Breton is the thought control centre of Canada : Smith, Ray, 1941

Francisco da Silva 1900 -1936 who arrived as a young teen became a successful Lunenburg fisherman and crew member of the famous schooner the Bluenose. It is not known if they survive.

Look! Up In the Sky!

The sighting happened around 7:30 PM. The original lighthouse was replaced in 1950.
