The long march

Infuriated, the Generalissimo now flew to Szechuan, where he mobilized new forces in the path of the oncoming horde, hoping to cut them off at one more strategic river — the great Tatu.

The Long March (1934)

Former officer Yuri Bezemov described the process of ideological by the long march through the institutions: the main emphasis of the KGB is NOT in the area of intelligence at all.

What Was the Long March?

Chinasat 9A reached geosynchronous orbit on 13 July 2017 after maneuvering with its own propulsion system. The bridge must be captured before enemy reinforcements arrived. In fact, it was a very easy military operation.

Long march through the institutions

The message has been drilled into us so that we can accomplish any goal set before us by the party because nothing compares in difficulty with what they did. Dressed in captured Nanking uniforms, the battalion entered the town at dusk without arousing comment, and quietly disarmed the garrison.

Long March (rocket family)

Mao was determined to continue northward because he was counting on getting resupplied by the Soviet Union through Inner Mongolia.

List of Long March launches

The was designed with a defective payload fairing, which collapsed when faced with the rocket's excessive vibration. By 1928, deserters and defecting Kuomintang army units, supplemented by peasants from the Communist rural soviets, formed the Chinese Workers' and Peasants' Red

Army. Thus a vanguard division of the First Army Corps, led by Lin Piao, reached the Tatu Ho.
