The textual analyses illustrating the evolution of collective memory range chronologically from Sartre's essays on the Occupation to 21st-century works, including novels, essays, memoirs, and documentary and fictional films. The intended consequence was to halt oil shipments from the US to Japan, which supplied 80 percent of Japanese oil imports. When opponents tried to appease him, he accepted the gains that were offered and went to the next target.

British Cultural Memory and the Second World War

In the 1930s, the wrecked Japan's economy and gave radical elements within the Japanese military the chance to force the entire military into working towards the conquest of all of Asia. In addition, the Treaty of Versailles dissolved the German general staff, and possession of navy ships, aircraft, poison gas, tanks and heavy artillery was also made illegal. Later, some of the more radical militarists and nationalists were submerged in grief and despair into the Nazi Party, and more moderate elements of militarism declined.
