New! Office of Childhood

If automatic update is not turned on, you can manually. Please also read our and , which became effective December 20, 2019. This track is for Insiders who feel comfortable with using unsupported builds and will help identify issues and provide valuable feedback to Microsoft.

Microsoft

This information is not intended to create, and receipt or viewing does not constitute, an attorney-client relationship. Image: Microsoft It looks like, for now at least, Microsoft is gradually bringing subtle changes to its Office design rather than fully ditching the ribbon interface. They will also ship both 32- and 64-bit versions, according to the post.

Office 365

For more, check out , and.

New version of Microsoft Office won't require you to pay for a subscription

Eventually, all Microsoft 365 subscribers will receive the new features. Available in the beta channel The new Office UI is available for testers today, with Microsoft planning to bring it to everyone else later this year. Nothing on this site should be taken as legal advice for any individual case or situation.
