I had a 2011 edition, but I gave it away to someone whose need was more immediate than mine, some time ago. Recorded by native speakers, the audio material features the dialogues and texts from the book and will help develop your listening and pronunciation skills. I have had no such trouble with French and German in the past, although I must say that they are more closely related to English than is Czech - and that is another reason the book needs to go more slowly for English speakers.

**CC / Complete Beginners 1a / Thursday / Online Czech language course / Winter 2021**

The course is structured in thematic units and the emphasis is placed on communication, so that you effortlessly progress from introducing yourself and dealing with everyday situations, to using the phone and talking about work.

**Czech for Foreigners**

I don't know if my strategy is wrong - maybe I should be ploughing ahead even though I don't understand all that I've read so far - but I'm pretty sure if I did that I would be floundering even more. One of the best skills you can learn from home is to speak a new language - and this great bundle will teach you not one, but six. It stands out for these reasons: 1.
