The huskies stood about, growling deep in their throats, for they had caught the unfamiliar scent of the Indian dogs and they too were alarmed. Like Outline, Transit is a series.

## Native American Indian Deer Legends, Meaning and Symbolism from the Myths of Many Tribes

An antlered stag, because of its cycle of growing and shedding antlers, represents fecundity, rejuvenation or rebirth. Whitetails, which tend to plague most suburban gardens, are quite the jumpers.

## People of the Deer Summary and Analysis (like SparkNotes)

Solitary or in small groups — mixed or single sex. An ancient legend of the Saami tells of a cursed woman who is transformed into a white reindeer who wanders the snowfields of the Midnight Sun luring all hunters who cross her path to their deaths. Again and again he called out, but the cluster of men stood silently on the bank and no one acknowledged the hail of Kakumee.

## People of the Deer Summary and Analysis (like SparkNotes)

Washington, DC: Smithsonian Institution; 1990: 412-419. Here the hind led them to a lake and jumped into it and disappeared.

## **To The Low Country: People Of The Deer**

Washington, DC: Smithsonian Institution; 1998: 283-288.

### **Deer**

Definitely staying on my bookshelf. Lincoln and London: University of Nebraska Press; 1984. Her heart sank as she spotted a tree with a dozen ravens — the sign an animal has died nearby.
