Notably, Latina women experienced the largest decline in California and now have below-replacement fertility. Sandoval-Strausz, a historian at Penn State.

**Fleeing the City**

To be sure, the largest increase in net domestic migration was among those aged 65 and over. In America, it has been like a virus strain mutating to the moment: Surely disease will kill cities, or congestion will, or corruption, or suburbanization, or fiscal crises, or technology, or crime, or terrorism, or this pandemic unlike all the pandemics that came before it.

That would be mistaken, too, he said. As Thompson points out, there is a lacuna in the extensive scholarship on urbanism. An analysis of IRS data through 2019 confirms that increasing domestic migration is not dominated by the youngest or oldest households.

## **Fleeing the City: Studies in the Culture and Politics of Antiurbanism / AvaxHome**

Each verb is presented alphabetically, one verb per page, with the page head showing the verb in its infinitive form.

### **Antiurbanism in the United States, England, and China**

Format: Trade Paperback Publication Year: 2015 Language: English Author: Thompson, M.

### **Fleeing the City: Studies in the Culture and Politics of Antiurbanism by Michael J. Thompson**

Although there have been numerous critical histories of the suburbs, studies of the city tend to approach the topic from a broadly sympathetic perspective and focus on the legal, architectural, economic, or social factors that have undermined its potential. The appeal of a yard and a home office would trump demand for bustling urban spaces. *Talen Fundamentalism and Antiurbanism: The Frontier Myth, the Christian Nation, and the Heartland*; E.
