## Church Vitality

All around the country, church congregations are establishing separate 501 c 3 nonprofit organizations in order to draw new funding, new people, and new partnerships into the ministry of their church. Remember: you are not alone. But congregations under stress are sharing in the redemptive work of God in the world.

## Gary Peluso

Many of these congregations have found that the church-nonprofit model brings together the very best aspects of the church with the outside resources that a nonprofit can draw. We gladly allow permission to reprint articles from the Alban Weekly for one-time use by congregations and their leaders when the material is offered free of charge. .

Graham Standish - 2005 Anthony B. So the prescription is not to slow the system but to stimulate the part of the body that controls attention. Inviting God into our stress is the best advice of all.

## Church Vitality

Partnering with other groups is essential right now—collaborations can provide services, resources, and expertise to make up for what has been trimmed out of your own budget.
