## Kiss Her Goodbye: New York City 1958

The woman spins her chair toward a computer, taps a few keys with her right hand while holding the insurance card in her left. Apparently, the director instructed his cast to pretend that they were Pod People, just having replaced the body-snatched victims, and therefore awkward at the art of being human. It was annoying in so many ways for the first half of the book, this constant ly I'm not going to lie - this is a gorgeous cover. Thank you Aria for the copy of this book in exchange for my honest review! Gee's Kiss Her Goodbye is a psychological thriller that follows our two main characters, Hayley Reynolds, our murderer, and Beverly Samuels, the detective that investigates the murders. Kirsten Green is a friend of Hayley.
