### Reconstruction in America: Rebuilding the Union After the Civil War

Johnson did establish a number of classes of people involved with the Confederacy who were not eligible for the general amnesty.

### Andrew Johnson : rebuilding the union

Those who could not or would not take the oath would be unable to take part in the future political life of the South.

### Andrew Johnson and Emancipation in Tennessee

He formulated a lenient plan, based on Lincoln's earlier 10% plan, to allow the Southern states to begin holding elections and sending representatives back to Washington.

### Andrew Johnson : rebuilding the union

It has been chosen for the first vote because it has the greatest support in the Senate. In order to fight back against the carpetbaggers and scalawags and politically active African American southerners, secret societies were formed. It was put forth in hopes that it would give incentive to shorten the war and strengthen his emancipation goals, since it promised to protect private property, not including slaves.
