Other than the ultra affluent, how can anyone support the Republican party? I find it hard to believe that the rest of the world must look upon this disaster in American politics and American women's thinking and believe that the hurling of insults is the way to make decisions.

Posted by: caliguy55 September 10, 2008 12:09 PM Do we really need to put a candidate in office that takes umbrage at every utterance, deliberately misconstruing and downright lying about every little thing? Unlike McCain, Obama's town hall meetings are Invitation Only. IT MEANS:

To disguise something as something else when it really is still that something.

## Book Torie Clarke for Public Speaking

John McCain has proved himself to be unqualified and incapable of effectively leading the United States of America into the future by, among other things, his reckless, irresponsible, impulsive, and dangerous judgment in picking Sarah Palin as his running mate. The purpose was to make poetry and language new again.

## A Brief History Of: 'Putting Lipstick on a Pig'

IS NOONE outraged at the hypocrisy of Obama and Biden VOTING FOR THE BRIDGE TO NOWHERE EARMARK and then going after

Palin, who in the end opposed it? Posted by: toritto September 10, 2008 11:20 AM McCain himself uses that phrase, that is what his own daughter said. If they didn't see this one coming, they are too stupid to run for office.

A half-dozen supporters said afterward that Palin's own lipstick comment was not the first thought that came to mind, although a few said it was not out of the question that Obama was trying to make that connection. Is this the sort of rhetoric Obama will employ as President? Not crazy about McCain, but supporting him anyhow because Obama is terrifying on many fronts. And we are talking about the tiny possibility that she may have been referred to as a pig with lip-stick?.

Hussein was the one who said that this election wasn't going to be a smear campaign, but a political election about political issues? As a young American, I am seriously disturbed by my government, and the sheer ignorance of the people of this nation. This is no joke, he really said this.

If Hillary were chosen over Biden to be VP the Dems have a slam dunk landslide victory. .

Socialized, and fascistized, by Republicans of all things! Trade Representative during the first Bush Administration.

Obama knows this too and of course he wants to win. Don't confuse them with issues and facts, they want to see a good mud wrestle. Apparently also hypocrites since this is a common phrase that McCain has also used, and used in reference to Sen.
