## The Amish Cook's Family Favorite Recipes

It made some lovely Christmas gifts as well.

**9780740773723**

Save the space for an actual cookbook. Lots of good, healthy recipes. Like a slow Sunday pot roast, it had to simmer.

**The Amish Cook at Home: Simple Pleasures of Food, Family, and Faith: Eicher, Lovina, Williams, Kevin: 9780740773723: vip.stumagz.com: Books**

I was sad to read what my drives in Lancaster County seem to confirm --- the encroachment of Philadelphia and the high cost of farmland have caused many Amish communities to relocate to Michigan, Ohio, etc.

**The Amish Cook at Home : Simple Pleasures of Food, Family, and Faith by Kevin Williams and Lovina Eicher (2008, Hardcover) for sale online**

This is SO much more than a cookbook! I am constantly amazed at the many uses the Amish find for their fresh produce from their gardens and fruit from their orchards. All the recipes use easy-to-find ingredients and step-by-step instructions for foolproof results every time. I'm looking forward to trying more recipes and reading this book in the future.

**The Amish Cook at Home : Simple Pleasures of Food, Family, and Faith by Kevin Williams and Lovina Eicher (2008, Hardcover) for sale online**

Some of Eicher's recipes I'd not make because I come from a tradition of not mixing milk and meat, however they are easy enough to modify so that I expect to have great fun adapting them to my own way of cooking. Culinary traditions like Dandelion Jelly, Asparagus-Potato Soup, Chicken and Dumplings, and Concord Grape Streusel Pie are featured alongside Amish history, culture, and lore.

### **The Amish Cook at Home: Simple Pleasures of Food, Family, and Faith by Lovina Eicher**

The book has a lot of fascinating information about the Amish life and beliefs; and There are lots of recipes that I want to try in this book. Useful Coffee Table Book I love this book! Structured around the four seasons, which heavily influence Amish life and cooking, The Amish Cook at Home offers recipes teaming with seasonal vegetables, fruits, and meat.

### **The Amish Cook at Home: Simple Pleasures of Food, Family, and Faith: Eicher, Lovina, Williams, Kevin: 9780740773723: Books**

It is written by Elizabeth Coblenz's daughter who took over her mother's column after her sudden death. Over the last couple of decades many Amish have travelled to Mexico for medical treatments unavailable in the U.
