But one coming-soon item is the Carry On cami set, available in their full size range of XS-XL US Sizes 2-14 which, according to the size chart, fits up to a 38H bust. Version 2 is a camisole with broad straps. Since you have a larger bust than hips, the most flattering lingerie for you will add to your slimmer lower body while showing off your bust and shoulders.

#### Lingerie & Nightwear

Finding cute plus size nightwear can be a challenge. It provides moderate coverage and support.

#### Lingerie & Nightwear

However, Shadowline designs are adorable, ultra-comfortable pieces in sizes ranging from 8 to 28! We also support indie pattern designers, showcasing their latest creations and keeping you up to date with new sewing pattern releases. With designs ranging from flirty to full-coverage, our nightwear is the perfect outfit for drifting off to sleep — or relaxing after a long day. Top 15 lingerie and nightwear sewing patterns Have you thought about sewing your own bra or chemise? Instead of a traditional bra and panty set, go for a one-piece alternative that will still tastefully show off some skin.

#### La Perla

Although this sounds like a small variation it can make a big difference to the finished piece. It can seem challenging sewing with small pattern pieces and getting familiar with all the notions needed but we have some beginner patterns you can start with before moving onto more complex designs.

## **Women's Sleepwear**

Our super-soft fabrics are just one of the factors that set Shadowline apart. The shorts feature an elastic waist, pockets, curved hemline and two rises.
