In the UK, roughly £bn was spent on print books last year, compared with £m on e-books, says Nielsen Book Research's Scott Morton. In the 20th century, we Chinese were mainly applying Western theories and methodology to challenges posed by the West. Two decades ago, for instance, when people faced evacuation and relocation, they had no choice but to go where they were told by the State, the rationale being the individual should contribute to the development of the country.
