## Regionalism (politics)

Examples of regional parties that do not generally campaign for greater autonomy or federalism include most , most , notably including the , most , most , the in and the in both , and most in. Therefore with respect to leadership and ideologies, regionalism has an improved but constrained prospect.

## Conclusion: The Development of Democracy

Due to rising Global Demand for Iron, the reserved Iron-resource of Orissa has been an important investment destination to be signed a memorandum of understanding MoU to bring in capital investment and employment opportunities. Changing regional welfare positions are often hard to measure, and in practice we often use gross domestic product GDP per capita or growth therein as a statistical approximation. Decreased politico-ideological divergence provided regionalism with a more favourable context since it is easier for similarly minded leaders to reach consensus on cooperation and integration and thus push regionalism forward.

## Conclusion: The Development of Democracy

Fisheries, at present, are a combination of ocean fishing and aquaculture.

## Regional Development

Periphery supplies raw material and human power to centre.

## The need for the 'correct' politics of development

The cumulative causation action has been built upon spread effect and backwash effects.

## Class 12 Political Science Notes Chapter 12 Politics of Planned Development

Thereafter the analysis focuses on theoretical and conceptual issues, the research agenda and methodology. This is because of its emphasis upon

the capital-goods industries.
