The performances of this company shuns conventional coherent narrative and focuses more on visual and auditory impact, using silences, word fragments and even animals and machines as performers.

## The Theatre of Societas Raffaello Sanzio by Claudia Castellucci

Tragedia Endogonidia expresses Claudia Castellucci's basic theory, initially touched upon in early works, that it is necessary to negate traditional theater language as every detail of the performance implies and reflects the entire point of it, and make that point universal. Near the end of this period, they began adding non-human elements such as animals, either to represent something about a human character or an abstract concept. Its initial development was part of movement in Italian theater which did not require a background in theater but was influenced by rock, poetry, comics, television and more.

### **Societas Raffaello Sanzio**

The main idea behind the group is that theater is mostly based on the visuals and sound of the set.
