Of interest to theologians, students of biblical interpretation and of Augustine, The Book of Rules of Tyconius focuses attention upon a work that had great influence on the understanding of the nature of the church, on interpreting scripture, and its meaning for the Church of its day. Bright asserts that although Augustine was greatly influenced by the Liber Regularum, his philosophical differences caused him to misunderstand its meaning.

Book of Rules of Tyconius, The: Its Purpose and Inner Logic (ND Christianity & Judaism Anitqui): Bright, Pamela: 9780268022198:

The racial component of his work makes it especially compelling in that he analyzes in nuanced fashion how the common African descent of both the missionaries and their target population simultaneously facilitated and complicated their interactions. Although this treatment insured the preservation of the work and its lasting fame, Augustine's summary became The Liber Regularum, written by Tyconius in the Fourth Century A.

Book of Rules of Tyconius, The: Its Purpose and Inner Logic by Pamela Bright, Paperback

Pamela Bright's The Book of Rules of Tyconius: Its Purpose and Inner Logic reintroduces this neglected classic of early church literature.

The Book of Rules of Tyconius: Its Purpose and Inner Logic by Pamela Bright

This book adds to this worthwhile but extremely underserved area a unique focus on their missionary activities. Bright asserts that although Augustine was greatly influenced by the Liber Regularum, his philosophical differences caused him to misunderstand its meaning.
