Parthenon

In an attempt to explain this, Boardman counts 192 participating males exclusive of the charioeurs and sees a heroization of the 192 killed at Marathon celebrated in the frieze.

Connelly on the Parthenon Frieze

On the south there are ten such groups; on the north side the number is greater, possibly twelve.

Elgin Marbles — The Parthenon Sculptures

Left to right, we have two girls, a woman, a bearded man, and a smaller child of indeterminate sex. Scholars who believe the frieze is stylistically closer to the pediments than to the metopes find confirmation here.
