The torture chamber was so terrifying, that King Ashoka himself was thought to have visited so that he could perfect its evil design. Maycock; Ronald Knox July 2003. Farmers, for instance, may claim that they prevent famine, artists may say that they take our minds off our worries, and teachers may hold that they hand down tools for coping with life hazards.

Torture chamber

Its observations about the present scene are insightful and its caveats significant. In the torture chamber, the three principal forms of coercion were by the cord, by water, and by fire.
