a book review by Penny Pleasance: **The Union Square Café Cookbook: 160 Recipes from New York's Acclaimed Restaurant**

All the fish dishes are simple and delicious. Readers learn that soaking baby onions in warm water makes them easier to peel in the recipe for Sweet Peas with Escarole, Onions, and Mint ; that the Corn and Tomatillo Salsa served with Polenta-Crusted Sea Bass also goes well with barbecued chicken or pork; that leftover Sauteed Spinach with Garlic makes a great sandwich filling; and that yesterday's sourdough bread should be kept for such soups and salads as Ribollita and Sourdough Panzanella.
