### State and local government budgets, spending and finance on the ballot

A national agenda to reduce barriers to college requires a clearer understanding of how students' opportunities differ by state. The deficit in the budget is met by the Government by borrowing the funds from the public.

### Interactive Data Tools

The likely outcome is that the unfunded liability will continue to grow. Some governments have also moved new employees onto DC plans, or hybrid plans combining aspects of both DB and DC plans, in part because DC plans shift risk from employers to employees. The author presents detailed descriptions of significant institutions.

### State and Local Public Finance: Special Assessment Financing for Transportation Improvements

Differences among these estimates stem mostly from different used to calculate the value of future benefit obligations. This textbook provides an examination and analysis of public finance practices and problems in a federal fiscal system, focusing on the fiscal behaviour and policies of state and local governments. The temptation of the quick fiscal fix has seduced just about every lawmaker at one time or another.

### State and Local Public Finance

It seems like the most obvious advice in the world. Almost 60 percent of local government pension contributions went to state-administered rather than local-administered plans in 2017.

### State and Local Government Pensions

Fisher is Professor of Economics at Michigan State University, where he specializes in the finance of state and local governments and intergovernmental fiscal relations. Ignoring the Long-Term Consequences of a Deal Few governments have a long-term financial plan and even fewer have multiyear budgets.
