### Narrative of Arthur Gordon Pym of Nantucket, The by Edgar Allan Poe (1809)

Against the captain's wishes, the crew of the Penguin turns back to search for and rescue both Augustus and Pym. The repulsion first felt when that slimy morsel fell on deck reoccurs when they are about to eat Parker, and so they cut off his head, hands, and feet and toss them over the side. Arthur Gordon Pym and his friend Augustus are teenagers in search of adventure.

Iconoclasm may owe its birth to the need for difference, but any iconoclast who fails to find a deeper inspiration is a rudderless rebel. The breeze, however, turns out to be the beginnings of a violent storm.
