His lifelong quest to understand the workings of the psyche led him to develop the analytical method of psychiatry.

## **Pearls of Wisdom: Dreams, the Shadow, Carl Jung and the 12 Rules for Success, Peace and Joy**

Jung, was a Swiss psychiatrist and psychotherapist who founded analytical psychology. Significant dreams, on the other hand, are often remembered for a lifetime, and not infrequently prove to be the richest jewel in the treasure-house of psychic experience. The final section of this 3-part series will go up shortly.
