## State Roundup: State officials targeted in unemployment claim fraud; Covid

Many slave owners in the South feared that the real intent of the Republicans was the abolition of slavery in states where it already existed, and that the sudden emancipation of four million slaves would be problematic for the slave owners and for the economy that drew its greatest profits from the labor of people who were not paid.

### The State of Civics Education

No restrictions or limitations on property taxes are imposed by the state, meaning cities and counties can set tax rates at the level they deem necessary to fund governmental services.

### History of Maryland

They also argued that banning slavery in new states would upset what they saw as a delicate balance of free states and slave states.

### Maryland : definition of Maryland and synonyms of Maryland (English)

There is a population of rare wild horses found on island. The Bay also has uncounted millions of overwintering waterfowl in its many wildlife refuges.

### Baltimore

If you have additional questions or comments contact Cynthia at: In five of the next eight months, killings topped 30 or 40 a month.
