So, for example, verbs will be replaced by all their derived forms, or, when the morphology of a word has changed through time or place, different forms of the same word will be searched for. The working language used in the different windows that you are invited to open for saving and loading queries primarily depends on the language settings stored in your web browser and is independent from the working language you have chosen for LLT-A. Annio Milone oratio Teubner A.

## Julianus von Eclanum

Since the main working screen offers the user five filters, Author, Title, Clavis, Period and Century, as well as a query panel called Word-forms as will be seen , it seems appropriate to also follow this order here and first discuss the filters, next the word-forms.
