**America's National Battlefield Parks : A Guide by Joseph E. Stevens (1991, Trade Paperback / Mixed Media) for sale online**

Horatio Gates brought Burgoyne to a standstill and forced his army to surrender.

## Park Store

These products complement the interpretive themes you experience when visiting the park. It commemorates the American Civil War Battle of Antietam that occurred on September 17, 1862.

## Ten Great Revolutionary War Battlefield Parks

Before the Battle of Antietam, Sharpsburg, Maryland was a simple city of farms and industries. Publishers use these marks when books are returned to them

## A Guide to the Antietam Farmsteads

The Victory that Secured Independence Colonial National Historical Park In the fall of 1781, the combined armies of Washington and the comte de Rochambeau marched from New York to Virginia to attack the British army under Charles, Lord Cornwallis, encamped at the little port of Yorktown, Virginia.

**America's National Battlefield Parks : A Guide by Joseph E. Stevens (1991, Trade Paperback / Mixed Media) for sale online**

Washington Resists the British Advance on Philadelphia Brandywine Battlefield Park In September 1777 the British under Gen. Each rewards visitors with the insights needed to understand an important battle of the war—insights that cannot be secured without walking the ground where the fighting took place. Only scattered parts of the battlefield are secured within the bounds of Brandywine Battlefield Park, but enough of the eighteenth-century landscape survives for visitors to understand this critical battle.
