**The Making of the Cold War Enemy:
 Culture and Politics in the Military**

The Cold War was a global political and ideological struggle between capitalist and communist countries, particularly between the two surviving superpowers of the postwar world: the United States and the

Filesize: 45.35 MB

Union of Soviet Socialist Republics USSR. The changes came as both sides attempted to influence political and economic developments around the world. De Gaulle considered the response he received to be unsatisfactory, and began the development of an.

Review: Ron Robin's 'The Making of the Cold War Enemy: Culture and Politics in the Military'

The doctrine of MAD discouraged by either side. Roosevelt announced during his inauguration.

The making of the Cold War enemy : culture and politics in the military

Stalin was jealous of Eastern Europe. The public and elites of all kinds wanted better relations with the Soviets and were pressing to cut nuclear weapons, SDI and conventional forces in Europe.

The making of the Cold War enemy : culture and politics in the military

He committed the United States to a hard-line, anti-Soviet approach. They threatened and denounced each other.

Cold War

He would later say he had not been referring to nuclear war, but the historically fated victory of communism over capitalism.
