## Treaty establishing the European Economic Community

Article 51 The Council, acting by means of a unanimous vote on a proposal of the Commission, shall, in the field of social security, adopt the measures necessary to effect the free movement of workers, in particular, by introducing a system which permits an assurance to be given to migrant workers and their beneficiaries: a that, for the purposes of qualifying for and retaining the right to benefits and of the calculation of these benefits, all periods taken into consideration by the respective municipal law of the countries concerned, shall be added together; and b that these benefits will be paid to persons resident in the territories of Member States. In 1970 and 1975, the gave Parliament power over the.

## European Economic Community

<sup>2</sup> De facto only, these cities hosted the main institutions but were not titled as capitals.

## National Union of Mineworkers Energy Research Archive

This was an international community based on and international law, designed to help the and prevent future war by its. The Council, acting by means of a unanimous vote and after consulting the Assembly on such proposals, may lay down the provisions whose adoption it shall recommend to the Member States in accordance with their respective constitutional rules. Such calculation shall be submitted to the Commission for its prior approval.

## Europe's Common Market founded in major step toward economic unity

An agreement which is the subject of a negative opinion of the Court of Justice may only enter into force under the conditions laid down, according to the case concerned, in Article 236.
