Japan Theme Unit

Collects mathematics to beginning of Han dynasty. Last month, Defense Minister Nobuo Kishi said in an interview with the Nikkei that Japan would increase its military spending beyond its traditional cap of 1% of gross domestic product. Science History Publications, New York, 1977.

Chapter 13

The Sino-Japanese war caused the death of millions of Chinese and the country lacked strong political leadership. As such, Japanese citizens enjoy many of the rights that continue to be denied to the Chinese population — which remains under strict control of the communist party. The two opposing styles of governance have visible consequences on the population and on the repartition of wealth.

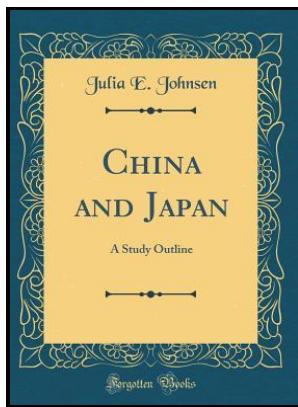

Japan Theme Unit

The Sea Island Mathematical Manual: surveying and mathematics in ancient China. Latest update Sept 17, 1995. Apart from this Japan is famous for Shinkansen Trains which are known as Bullet trains.

Chapter 13

Both countries are members of international organizations, such as AfDB Africa Development Bank , ICC International Criminal Court , ILO International Labor Organization , G-20, UN United Nations , UNCTAD United Nations Conference on Trade and Development , UNESCO United Nations Educational, Scientific and Cultural Organization , UNHCR United Nations High Commissioner for Refugees , WHO World Health Organization , WIPO World Intellectual Property Organization and many others. The main ones are highlighted in the table below.
