**Colloquial Thai: The Complete Course for Beginners / Edition 2 by John Moore, Saowalak Rodchue**

Other particles are question markers which convey a range of meanings. But I'll review Colloquial maybe just read the grammar notes, maybe do exercises? Another example: แก่ต่างไหหน How am I old? We think of aspects as spots so we ask where referring to which spots. I found it to be a helpful and consistent resource.

**Pattaya Bar Girl Slang & Terminology**

Course components: The complete course comprises the book and audio materials.

**Thai Slang Dictionary**

This is basically a necessity for an English speaker to pick up Thai pronunciation, so those aren't deal-breakers given other content is good.
