John Witherspoon: Pastor, Politician, Patriot

National Archives, Original work and facsimile, complete text , No. Green, God in the White House - The Faiths of American Presidents NY: Crown Publishers, Inc. He took an active part in the debates on the Articles of Confederation; assisted in organizing the executive departments; shared in the formation of the new government's foreign alliances; and played a leading part in drawing up the instructions of the American peace commissioners.

God's word is kept in spite of men! Or again, federalism for Americans is like a pair of spectacles through which they view everything; they see things through their federal heritage but may not see it. Does that really prove anything about the Founding Fathers having a Biblical faith? Witherspoon was outraged that an illegitimate son would accuse others of humble birth. This work is in the public domain in the United States of America, and possibly other nations.
