Animal health & welfare

It is nice to hear him again.

Industry

My noble friend Lord Cochrane also spoke about disposal of stock.

Poultry standards for the Animal Welfare Approved by AGW seal.

There are also environmental regulations e.

Guidelines for the humane care and handling of food animals at slaughter

I understand that there is a proposal passing through the EC which will deal with the matter on a European basis, although it may be wider in its full effect. I keep a few hens and cockerels in my backyard, which I occasionally have to kill. As one who cares about animals, I too support the Bill.

Welfare of Animals at Slaughter Bill (Hansard, 2 May 1991)

The purpose of the Bill is very straightforward; it is to improve the welfare of animals at slaughter.

Code of Practice for the Slaughter and Poultry Processing Industries

The HSA has produced a booklet,, which provides details of humane methods available to hatchery owners, operators, veterinary surgeons or anyone wishing to know about humane options for disposal of unwanted males or deformed and diseased chicks.
