### They Found Him Dead book by Georgette Heyer

Lots of suspects and Superintendent Hannasyde is going to tell us which one was it. The question is: who in this family is clever enough to get away with murder? Add to this the fact that Warrenby was blackmailing someone, and Hemingway has his work cut out for him.

**told me that they found him dead, I hung the phone : Chiraqology**

I wonder if the killer used a Rube Goldberg device? I enjoyed all of the quirky characters, the ladies' maid who is overly loyal to her mistress, the no-nonsense young housekeeper, the smarmy business partner who likes to make moves on the ladies, the demanding and crotchety grande dame, and all the others.

### They Found Him Dead book by Georgette Heyer

Would he commit murder to have her and enough money? The coroner's verdict of death by misadventure would seem to confirm that Silas accidentally lost his way in the fog. The story opens at Silas's sixtieth birthday party, introducing us to the eccentric cast of characters and the story setup when Silas refuses to do business with an Australian firm his partner, Joe Mansell, champions. ARC provided by Sourcebooks The bodies pile up right from the start in this delightful, fast-paced 1930's British murder mystery.

### They Found Him Dead

She toned down the period language and setting for the most part. To begin with, Silas was at polite variance with old Joseph Mansell.

### vip.stumagz.com: Customer reviews: They Found Him Dead

Her husband, Sir Adrien, is more absentminded and a very hands-off parent. The first of Heyer's murder mysteries that I've tried, and I liked it a lot! The theory that Silas accidentally lost his way in the fog is confirmed when the coroner returns a verdict of death by misadventure. Could he have killed Silas? When Sir Arthur is found stabbed to death, no one is particularly grieved and no one has an alibi.

### They found him dead : Heyer, Georgette, 1902

He genuinely likes the lad, I think. The family members are color and eccentric and the story of their doings seems more focal than the investigation.

**Georgette**

Heyer brings thoughts of Christie, but she speaks very much with her own voice. Did you have an extreme reaction to this book? I thought the story was cleverly constructed and amusingly written.
