МЕЖДУНАРОДНО

Учение публицистов о межгосударственном владении. Wyler, La Règle Dite de la Continuité de la Nationalité dans le Contentieux International 1990.

Права человека и международно

A State's determination that an individual possesses its nationality is not lightly to be questioned. Discussions on the issue continued throughout the following decades, and in the end resulted in the 1997 European Convention on Nationality, 230 which deals with dual nationality in a more liberal manner, reflecting the division of interests within the Council, with many members increasingly accepting the phenomenon.

Read FIRST REPORT ON DIPLOMATIC PROTECTION

Hailbronner has argued, with reference to contemporary State practice and legal developments in the field of human rights law granting protection also against the State of nationality, that although there is not yet a clear uniform practice in this field and although the majority of States may be opposed to protection in such cases, there is at least a slow change towards acceptance of the principle of effectiveness in this context. Например, законодательство страны женщины, вступившей в законный брак с иностранцем, применяет принцип «жена следует гражданству мужа».

Институт двойного гражданства в российском законодательстве: проблемы и перспективы

Авторы делают акцент на том, что первая попытка универсальной кодификации вопросов гражданства была осуществлена под эгидой Лиги Наций на Гаагской конференции по кодификации международного права 1930 г. Таким образом, в соответствии с действующим законодательством РФ признает наличие двойного гражданства только с теми государствами, которые подписали с Россией договоры об урегулировании вопросов двойного гражданства.

Acquisition of USSR Citizenship

Switzerland takes the position that it will protect refugees who are no longer attached de facto to their home State, with the consent of the State against which the claim is presented: Note of 26 January 1978 1978 34 Schweiz J.

Территория как элемент международной правосубъектности государства в контексте проблемы «Исчезающих» государств

The right of self-defence in international law was formulated well before 1945.

Права человека и международно

Consequently there is no reason to apply the dominant or effective nationality principle.

ПРАВА ЧЕЛОВЕКА И МЕЖДУНАРОДНО

As demonstrated by the decisions of the Iran-United States Claims Tribunal, academic opinion is divided on the dominant nationality test in claims involving dual nationals.
