Products

Number of births to unmarried women by race and Hispanic origin of mother, by age of mother and percents by race and Hispanic origin of mother for metropolitan areas of the United States, 1996. Number of births to unmarried women by race and Hispanic origin of mother, by age of mother and percents by race and Hispanic origin of mother for metropolitan areas of the United States, 2002.

The 2000 Election Wasn't Decided Until December After A Recount

Charges of media bias were leveled against the networks by Republicans, who claimed that the networks called states more quickly for Al Gore than for George W.

2000 Iditarod Race Results

The following tables are part of the Internet release of Vital Statistics of the United States, 1997, Volume I, Natality. By comparison, the total U.S. population in 1997 was 264,791,388.

Race of a Thousand Years

Note that while stock ownership generally rises with income, it does so much more slowly in minority households. Tracy, Schneider, and Chan 1999 report that housing's share of total wealth remains constant for homeowners from their mid-twenties to their early forties, then dips below 65 percent for homeowners age 44 or older. They are there to capture the race so the world can view the human drama that is certain to unfold in Patagonia.

2000 Presidential General Election Results

White and black Americans are the youngest of these groups, with a median age of only 13. Vital Statistics of the United States, 1981.

- **U.S. military spending 2019**

Race-Based Life Expectancy Life expectancies based on race are from which is available up until 2014. Based on race, life expectancies in 2014 were as follows: There is a racial gap in life expectancy in 2014 with Asian Americans living over 11 years as long as Native Americans and African Americans. Blau and Graham 1990 note that barriers to owning home and business equity can include difficulty in securing loans, poor information about investment opportunities, and racial differences in home ownership rates and housing values, including lower rates of return on housing in black neighborhoods than in white neighborhoods.
