## Two ordinances of the Lords and Commons assembled in Parliament : the one for the speedy raising and levying of money for the maintenance of the army raised by the Parliament and other great affaires of the Common

Indeed this government may well be called the government of highwaymen, who hath stolen the earth from the younger brethren by force, and holds it from them by force. The army responded by forcing Richard to dissolve Parliament on 21st April, 1659. .

**KENDALL, James (1647)**

The House of Commons used county committees to elect two divines for each English shire, one for each Welsh shire, and four for the City of London. Indeed, as one writer puts it, although Charles II was called king by the Grace of God, in reality he was king by the merchants and squires.

### English Puritanism

However, everyone was still expected to attend some form of religious worship on Sundays.

From December 1647, to April 1648, considerable time was devoted to the preparation of the Scripture proofs for both Catechisms. Although many had been cited before the ecclesiastical courts, only a minority had been deprived of their livings, with some men fleeing to the continent and one to the American colonies.
