Matus, In reviewed by Whalen

Whatever digressions the author makes in pursuit of his game, Irvin Matus has written *Shakespeare, In Fact* in response to two powerfully challenging and complex books: J. There is, of course, no record of Shakespeare's -- or of any contemporary's -- attendance at the Stratford School; but Matus supplies an interesting analogy: there is no record that Jonson attended the Westminster School as he undoubtedly did , only his own statement. Fact 38: Shakespeare has given rise to many memorable and hilarious insults.

Shakespeare had seven siblings: Joan b 1558, only lived 2 months ; Margaret b 1562 ; Gilbert b 1566 ; another Joan b 1569 ; Anne b 1571 ; Richard b 1574 and Edmund b 1580. The claim for Shakespeare is made yet again in 1647, five years after the closing of the theaters, in the dedication of the Beaumont and Fletcher folio. Other and earlier accounts have been proposed, notably the 1592 shipwreck, off Bermuda, of the

Edward Bonaventure, a ship supposed to be connected with Oxford, perhaps even to be the vessel he commanded against the Armada.
