counseling

Thus the volume is also an encyclopedic reference that will aid research and teaching, as well as providing insights into the future development of pastoral care and counseling. An introduction reviews the history of the field, the counseling process, and goals of counseling.

Dictionary of Pastoral Care and Counseling

Includes an effective last minute super-review Boot Camp.

Definitions of counseling

The introduction describes the development of counseling since 1900 in this country, defines the major theoretical approaches to counseling through the years, describes the counseling process and characterizes counseling approaches at different stages in a person's life, and talks about client and counselor relationships.

Counseling synonyms, counseling antonyms

Users can further adapt the content to their specific needs with easy-to-use annotative features such as notes, highlighters and saved searches.
