The reason for this is intriguing: a woman who fought off her attacker still retained her chastity, and was therefore considered a credible witness and her testimony worthy. One reads more about them in the diaries and letters of fashionable young ladies, who loved to relate how they were tortured and tormented by having their heads made up, than one finds in actual evidence, judging from the portraits painted during those years. MUSE delivers outstanding results to the scholarly community by maximizing revenues for publishers, providing value to libraries, and enabling access for scholars worldwide.
