Hughes, Andrew; Chambers, Jonathan; Giles, Jeremy; Jordan, Colm; Kessler, Holger; Kingdon, Andrew; Marsh, Stuart; Ogilvy, Richard; Peach, Denis.

The Amazing World : Uluru (Colour Changing Mountain), Kata Tjuta National Park, Australia

Various attempts at explanations, based sometimes on faulting, sometimes on folding, sometimes on a combination of the two, have been brought forward.

Geology in the West Country: 2008

This J P Postgate, a Professor of Latin, had six children, one of whom was our headmaster, Ormond Oliver, and another, was author of the Good Food Guide and father of well known author of the childrens' books 'Ivor the Engine' and 'Noggins the Nog'. He has advised the European Community and several East European countries on constitutional law and privatization. This Series was formed nearer the mouth of the river than the Freshwater Beds men- tioned above, and we begin, as we go east, to find marine fossils soon after passing the pier at Bournemouth.

Geology in the West Country: 2008

. Charlton, with its fossiliferous Blackheath and Woolwich Beds, still remains a type-section of the Lower London Tertiaries.

Geology in the West Country: 2008

Other than cross country runs, we had a shared bath once a week whether we liked it or not! Many of these are sub- angular, but glacial striae are extremely rare. Prepared for Shropshire County Council. Then in residence were Jane Elizabeth Smith, principal; Mary Annette Leake, niece; 4 governesses, Agnes Mary Rosina Lee, Ellen Marie Rive French , Harriet Groves Rowland and Clara Griesback German ; 10 pupils aged between 15 and 18 years; a parlour-maid, 2 house-maids, a cook and a kitchen maid.

Royal Welch Fusiliers

In the nineteenth century, the regiment took part in the , the , the and the . The photo below shows the headmaster Hugh Edmund Wood centre with staff and pupils. The Shropshire Geological Society Newsletter, 2, 9.

The Amazing World : Uluru (Colour Changing Mountain), Kata Tjuta National Park, Australia

The head teacher in charge on census day was who in 1861 had been a governess at the school, along with her two sisters Matilda Marten Duplock and Eliza Marten Duplock.
