Lord Krishna clearly explains this in the next verse. For Bharati, freedom meant freedom at every level—political, social, and personal—and for every individual, irrespective of caste, colour, gender, or religion.

Bharati's Poetry in 4 Volumes

All along, Shree Krishna had been asking Arjun to do two things simultaneously—engage his mind in devotion, and engage his body in fulfilling his material duty as a warrior. Shree Krishna tells Arjun not to fear; he will absolve him from all sins, and liberate him from material existence. This 4 th Volume is a collection of autobiographical poems, as well as other poems on several themes, including Love, Nature, and Greetings to the great people of his times.
