But the Japanese keep on training.

### Accounting in Japan

But I am concerned only with what we in the West might learn from the Japanese. Japan's diversity problem: women are 41% of the work force but command Few top posts: 'a waste,' says Carlos Ghosn.

### 6 Things to Know About Business in Japan

Understanding the differences between these two concepts is extremely important because they have a pervasive influence on the design and implementation of every management policy, technique, performance measurement system and decision. HIDEYOSHI YAMAJI is Professor of Finance and Accounting at the Research Institute for Economics and Business Administration at Kobe University.

### The Japanese Style of Business Accounting by Shyam Sunder, Hideyoshi Yamaji, Hardcover

We think he is ready for a big management assignment abroad, but we have no way of talking to him; none of us went to the same university he went to. Avoid the urge to fill the silence as it may be viewed as impatient.
