### cold war : definition of cold war and synonyms of cold war (English)

The third difficulty bears particular relevance to the Western Mediterranean: interactions within this region involve two adjacent sub-complexes of different ranks, namely south-west European countries and the Maghreb as higher-level and lower-level sub-complexes respectively. Second Cold War 1979–85 Main article: The term second Cold War has been used by some historians to refer to the period of intensive reawakening of Cold War tensions and conflicts in the late 1970s and early 1980s.

### British Library EThOS: Adjacent internationalism : the concept of solidarity and post

Tensions greatly increased between the major powers with both sides becoming more militaristic.

### On Diplomatic Relationships and Strategies

Despite initial skepticism in the West, the new Soviet leader proved to be committed to reversing the Soviet Union's deteriorating economic condition instead of continuing the arms race with the West. The fighting that ensued between rival groups caused a societal breakdown that led to periodic famines. To save its reputation, Hezbollah allowed Lebanese to be killed.

### FINAL DRAFTedited

Though it was always more of a public relations accident courtesy of Vice President Biden than a seriously thought-through policy.
