## Industrial Democracy & Participative Management

These ideas were put into effect successfully in the of , ,

## Workplace democracy

Robert Owen was a pre Marxian socialist.

## Industrial Democracy in Management

Profits or losses earned by the worker's cooperative are shared by worker-owners.

## Worker Directors and Worker Ownership/Cooperatives

Worker cooperatives and conventional firms tend to have similar wages after controlling for other possible variables, with any wage differentiation being due to other characteristics aside from firm organization. This is the modern trend in industrial world both in developed and developing countries. Agricultural co-operatives in the U. S.
