## Pompeo's lies and slander not to affect stability, prosperity in Xinjiang: FM spokesperson

We have no reason to take any steps other than the procedures that exist at the UN that I mentioned, such as at the Human Rights Council and its Universal Periodic Reviews. We have raised these concerns—and we will continue to raise them—both bilaterally and in relevant international meetings. The camps are reportedly operated outside the ; many Uyghurs have reportedly been interned without trial and no charges have been levied against them held in.

## Vice Chair of China's Xinjiang Government Arrested on Corruption Charges

House of Representatives passed a stronger version of the Uyghur Human Rights Policy Act by a vote of 407 to 1. But Biden has vowed to push back on Chinese economic, human rights and territorial abuses if required.

## China urges Twitter to be objective after embassy account lock

Sean Roberts of said the CCP sees Uyghurs' attachment to their traditional lands as a risk to the BRI. The city is served by several conventional rail lines.

## Disney remake of Mulan criticised for filming in Xinjiang

Ürümqi has been a central developmental target for the project that the Central Government is pursuing. Amnesty International, meanwhile, , as a peaceful demonstration turned massacre, quoting exiled Uyghur activist Rebiya Kadeer.
